## AQF Commitment Statement

Bethany School is committed to upholding the principles of the Agent Quality Framework (AQF), ensuring a transparent, ethical and high-quality experience for all prospective international pupils and their families.

We work in partnership with education agents who share our values and who are committed to providing accurate, responsible and student-focused guidance. We expect all agents representing Bethany to:

- Act with honesty, integrity and professionalism.
- Provide clear, accurate and up-to-date information about the school and its programmes.
- Prioritise the best interests of pupils and their families.
- Maintain appropriate training and knowledge of the UK education system.
- Comply with all relevant UKVI and regulatory requirements.

In return, Bethany School is committed to:

- Providing agents with clear, timely and accurate information.
- Maintaining open and transparent communication.
- Offering appropriate training and support on our programmes and processes.
- Ensuring all admissions decisions are fair, consistent and in the best interests of the pupil.
- Monitoring and reviewing agent performance to ensure high standards are maintained.

We value strong, long-term partnerships with our agents and are dedicated to delivering a positive and supportive experience for every international pupil joining our community.
